

Trap Primers

» Engineered Trap Seal Protection

Complete

Multiple trap priming solutions available: mechanical, electronic, and gravity-fed

Dependable

Designed to last, with large port openings that do not clog. Self-charges with air to prevent waterlogging

Certified

ASSE 1018 and ASSE 1044 listed products with wide acceptance by engineers and code officials.

Engineered

No field-adjustments needed! Largest volume of water release in the industry.

TAKE THE FIELD.

PrimePerfect™

- Primes and maintains water trap seals in a single, or multiple traps
- Factory-set activation (0.25oz) with 10 PSI pressure drop within the 30-150 PSI range
- Large internal port & sediment screen for fewer clogs
- Assembled completely in the USA
- ASSE 1018 Listed

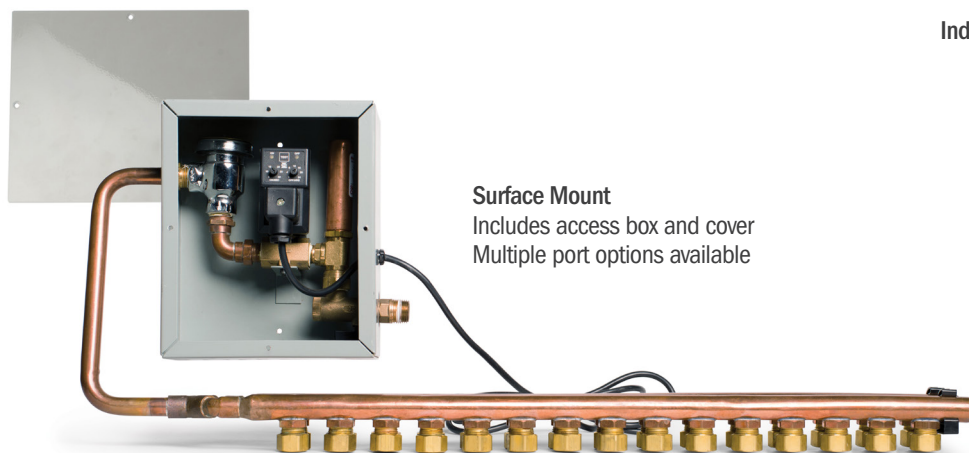

Electronic Trap Primers

- Solenoid-activation, with adjustable frequency and duration to suit any application
- ASSE 1044 listed
- Made in the USA

Recessed Mount
Multiple port options available
Access panels available separately

Surface Mount
Includes access box and cover
Multiple port options available

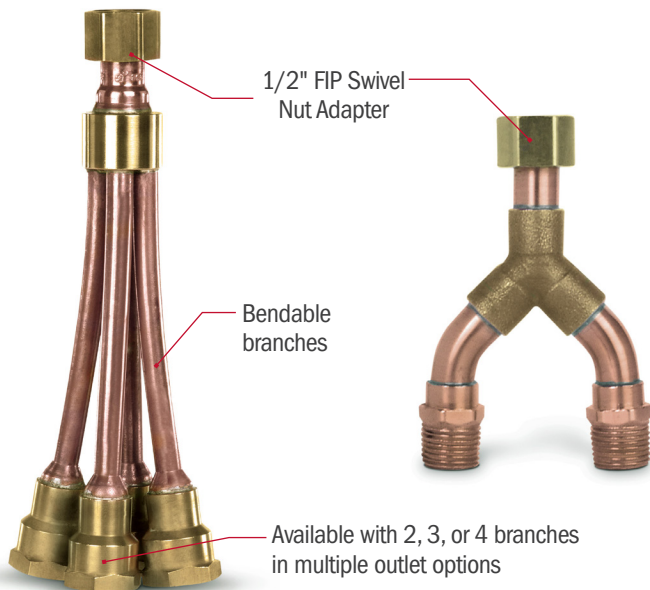

Individual Model

TrapEase™

- Using gray water from lavatory drainage makes the TrapEase a sustainable trap priming option
- The simple, gravity-fed operation is a cost-effective, low-maintenance solution
- ASSE 1044 listed
- Made in the USA

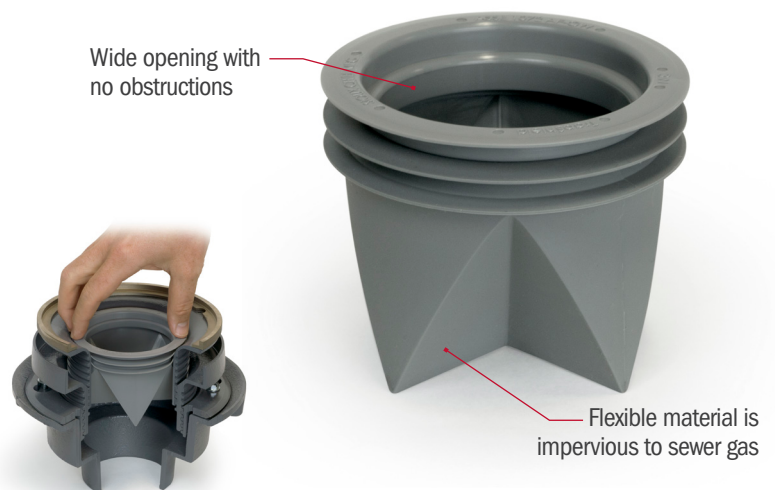

Distributors

- Used with mechanical and electronic trap primer models to direct lines to drains
- Using a splitter and distributors, a single primer can serve up to 8 drains
- Lead-free solder joints designed to distribute water equally to multiple outlets
- Made in the USA

TrapShield™

- Protects trap seals in drains from evaporation to prevent odors and sewer gas from entering the building
- No obstructions. Opens easily for full water flow, then closes to protect the trap seal

Pushes into new or existing floor/shower drains.
Removes easily for drain maintenance

Buying Information			
ITEM NO.	DESCRIPTION	MIN. QTY.	CASE QTY.
PrimePerfect™ Mechanical Trap Primers			
695-01	PrimePerfect Mechanical trap primer - 1/2" FIP x 1/2" MIP	1	24
Electronic Trap Primers			
695-ES05	Surface-Mount - Box and Panel - 5 outlet ports	1	4
695-ES10	Surface-Mount - Box and Panel - 10 outlet ports	1	1
695-ES15	Surface-Mount - Box and Panel - 15 outlet ports	1	1
695-ES20	Surface-Mount - Box and Panel - 20 outlet ports	1	1
695-ES30	Surface-Mount - Box and Panel - 30 outlet ports	1	1
695-ER05	Recessed-Mount - Box - 5 outlet ports	1	1
695-ER10	Recessed-Mount - Box - 10 outlet ports	1	1
695-ER15	Recessed-Mount - Box - 15 outlet ports	1	1
695-ER20	Recessed-Mount - Box - 20 outlet ports	1	1
695-ER30	Recessed-Mount - Box - 30 outlet ports	1	1
695-ES01	Individual Model - Single outlet port	1	1
TrapEase™ Gravity-Fed Trap Primers			
200-090	1-1/2" x 8" Direct Connect Tailpiece - Unfinished	25	25
200-092	1-1/2" x 8" Direct Connect Tailpiece - Chrome Finish	25	25
206-096	1-1/2" x 6" Slip-Joint Connection Tailpiece - Chrome Finish	25	25
213-090	1-1/4" x 6" Fine Thread Connection Tailpiece - Unfinished	25	25
213-092	1-1/4" x 6" Fine Thread Connection Tailpiece - Chrome Finish	25	25
213-096	1-1/4" x 6" Slip-Joint Connection Tailpiece - Chrome Finish	25	25
TrapShield™ Trap Protection Device			
835-2	Trap Protection Device for 2" Pipe or Drain Outlet	1	50
835-3	Trap Protection Device for 3" Pipe or Drain Outlet	1	25
835-35	Trap Protection Device for 3-1/2" Drain Head	1	25
835-4	Trap Protection Device for 4" Pipe or Drain Outlet	1	20
Trap Primer Distributors			
695-Y52	Wye Splitter - 1/2" FIP Swivel x 1/2" MIP (x2)	1	10
