

WeldOneTM

Integral Trap Floor Drain

Convenient

- Great general-purpose drain for on-grade applications
- Integral trap means fewer fittings and glue joints
- Pre-threaded, knockout trap primer connection
- Debris cover protects strainer during rough-in

Dependable

- Reinforced hub reduces cracking if pipe is moved
- Stake anchor provides better front-side securing
- Designed and made in the USA!

2" FIP threaded throat is designed for a float-ball backwater device. 1-1/2" cleanout plug is pre-installed into FIP cleanout threads

Dimensions

Add 5/16" to height when using metal ring/strainer

Durable, adhesive debris cover protects drain/strainer during construction and removes with no residue.
