RealTite™

Cleanout Plugs

Easy to Install

Unique design and durable construction for unmatched reliability

All corrosion-resistant materials for easy removal, even after years in service

Effective

Low-profile design installs with hex key for tamper-resistance

Full-body gasket seals behind threads, through the opening, and on the face of cleanout tees

Versatile

Models available to suit most applications
See 'Application Guide' on back cover

For temporary or permanent use

Perfect for replacing brass or plastic cleanout plugs – seals water-tight, even in damaged threads
