TECHNICAL BULLETIN

PLASTIC HANGERS, CLAMPS, & PIPE SUPPORTS

SUBJECT: CPVC Compatibility
DATE: October 2019
PAGE: 1 of 1

Sioux Chief's line of injection-molded hangers, fasteners, and pipe supports for CTS water supply lines are produced using a variety of plastic resins. We make every effort to ensure these resin materials are fully compatible with PEX and CPVC, regardless of the tube's color or brand.

Products that are not CPVC compatible are clearly indicated in our catalog and website.
The table below lists the names of hanger products that are CPVC compatible. If the product in question is not listed below, please contact us for more information.
